Inspiring and educating our diverse community through  
affordable and innovative teaching, creating a passion for  
Christ and a love of learning

**ANCHORPOINT**  
CHRISTIAN SCHOOL

WE HAVE THIS HOPE AS AN ANCHOR FOR THE SOUL, FIRM AND SECURE **HEBREWS 6:19**

ANCHORPOINT CURRICULUM FEATURES A  
TWO-YEAR CYCLE IN BIBLE, SCIENCE,  
AND SOCIAL STUDIES.

MATH AND LANGUAGE ARTS OFFER  
DIFFERENTIATED INSTRUCTION FOR EACH  
LEARNER DURING EACH OF THE TWO YEARS.

## EDUCATIONAL PHILOSOPHY

AnchorPoint Christian School  
Grades 1-2 offers distinctively Christian  
programming focused on experiential  
learning for children in a nurturing  
Christian environment. The curriculum  
enables parents to provide their child(ren)  
with an education that has a strong  
academic foundation and a strong Biblical  
foundation—teaching them to look at God's  
world with a Godly vision.

## BIBLE

Using Christian Schools International materials,  
lessons focus on God's plan for his people and his  
promises to them. Christmas and Easter stories are  
covered both years.

### YEAR 1

## SCIENCE *continued*

### YEAR 2

- > Investigating the Senses
- > Investigating Living Things
- > Investigating Changes

## SOCIAL STUDIES

Based on state standards, traveling through history helps students learn about God's faithfulness through the ages. They study our government to understand their role as Christians in God's world. Geography units help them navigate God's created world.

### YEAR 1

- > My Community
- > Maps
- > Working Together in a Community

### YEAR 2

- > Family
- > Learning from the Past
- > Good Citizens

## MATH

Students follow the Everyday Math curriculum. Concepts are introduced and expanded according to each learner's instructional needs. Key concepts for the two years include:

- > Number Patterns
- > Measurement
- > Addition and Subtraction
- > Place Value
- > Money
- > Fractions
- > 2D/3D Shapes

## LANGUAGE ARTS

The Four Blocks Literacy Program is a balanced approach to teaching literacy that spreads language arts instruction over four different 30-45 minute blocks. Each area allows the teacher to provide differentiated instruction according to each student's needs.

- > Guided Reading
- > Writer's Workshop
- > Working with Words
- > Self-Selected Reading
