### ▼ EDUCATIONAL PHILOSOPHY

AnchorPoint Christian School Grades 1-6 offers distinctively Christian programming focused on experiential learning for children in a nurturing Christian environment. Our school enables parents to provide their child(ren) with an education that has a strong academic foundation and a strong Biblical foundation. We base our education — preschool through grade six — on the Bible, teaching our students to look at God's world with a Godly vision.

### MULTI-AGE STRUCTURE BENEFITS ▼

**VERSATILITY** Students are freed from traditional grade level expectations. When a student enters a classroom setting that is intentionally multi-age, the teacher expects students to function at multiple levels. Wherever a child is academically, he/she is accepted and challenged, no matter what the chronological age.

**FAMILIARITY** In traditional classrooms, a significant amount of time is absorbed at the beginning of the school year establishing class expectations and an atmosphere of academic rigor. In a multi-age community, some students are already familiar with expectations and patterns of operations, and new learning occurs sooner.

**OPPORTUNITY** New learning occurs at a deeper level when the learner has opportunities to explain to others what he/she has learned. Classroom communities, guided by skilled teachers who understand the power of a multi-age learning environment that inspires creative problem solving and inquiry, provide ample opportunities for students to verbalize new learning to classmates.

**COMMUNITY** By purposefully structuring our classes to include a span of ages, we take advantage of the resulting diversity. In a group of children of different ages, competition is reduced and the atmosphere is generally collaborative. Students grouped in communities develop leadership skills, nurturing behaviors, and a greater sense of sharing. This stimulates a lifelong love of learning and passion for Christlike behavior.

## OUR STAFF

Our Christian, caring, and experienced teachers are committed to partnering with parents in all aspects of the child's development.

All staff are screened through a criminal background check to ensure student safety. Each teacher considers it a privilege to explore God's world with each child!
