ANCHORPOINT CHRISTIAN SCHOOL

WE HAVE THIS HOPE AS AN ANCHOR FOR THE SOUL, FIRM AND SECURE HEBREWS 6:19

Thank you for inquiring about AnchorPoint Christian School kindergarten for the molding of your child's heart and mind for Jesus.

EDUCATIONAL PHILOSOPHY

AnchorPoint Christian School kindergarten offers distinctively Christian programming focused on experiential learning for young children in a nurturing Christian environment.

Our kindergarten enables parents to provide their child with an education that has a strong academic foundation and a strong Biblical foundation. We base our education — preschool through grade six — on the Bible, teaching our students to look at God's world around them with a Godly vision.

Kindergarten provides a rich background of exciting experiences that encourage a well-rounded childhood. Kindergarten may be a child's first experience in being away from home and parents for longer periods of time. It is a child's first experience in adjusting to a daily school routine. It is the foundation for school years that follow; habits and attitudes are formed and basic skills are developed.
