EDUCATIONAL PHILOSOPHY

AnchorPoint Christian Preschool offers distinctively Christian programming focused on experiential learning for young children in a nurturing Christian environment. Our preschool enables parents to provide their child with an education that has a strong academic foundation and a strong Biblical foundation. We base our education — preschool through grade six — on the Bible, teaching our students to look at God's world around them with a Godly vision.

PROGRAM OBJECTIVES

CHILDREN WHO ATTEND ANCHORPOINT
CHRISTIAN PRESCHOOL:

- > Explore God's world around them
- > Become more aware of Jesus and how to live for Him
- > Improve their ability to work and play with others
- > Improve their verbal, listening, and perceptual skills
- > Gain self-confidence
- > Expand development of small and large motor skills

CURRICULUM

Our teacher-developed curriculum is center based, using developmentally appropriate programming. This readiness approach enables students to enjoy learning through play and prepares them for increased academic education in kindergarten and beyond. There are centers for:

Block Play, Pretend Play, Fine Motor Skills, Math Readiness, Pre-writing and Pre-reading Skills, Library, Discovery, Sensory, Artistic Expression

We teach letters and letter sounds using the Zoo Phonics curriculum.

OUR STAFF

Our Christian, caring, and experienced teachers are committed to partnering with parents in all aspects of the child's development. All staff are screened through a criminal background check to ensure student safety. Each teacher considers it a privilege to explore God's world with each child!

PARENTAL INVOLVEMENT

We believe in creating a strong partnership between home and school. Our preschool encourages parent participation in the classroom through our "Star Parent" volunteer program. And parents are always encouraged to visit.
